Our researchers travel to remote places to collect quality data for you.

We pride ourselves on understanding the local context.

VALUES:

Equality: Poverty, exclusion and discrimination can be overcome.

Empathy: With understanding and compassion we build trust.

Learning: When we reflect and learn together, we grow together.

Integrity: By investing some of our profits in independent research we advance the understanding of gender and inequality.

Transparency: Our work is a public good.

Collaboration: Working together and co-creating solutions is powerful.
